## **Stirling leases development**

MANDEVILLE — RRA Stirling Properties has formed a strategic alliance with the Crosby Development Company and The Sanctuary, the company's upscale residential development located in Mandeville.

ERA Stirling Properties became the exclusive sales and leasing company for The Sanctuary effective Jan. 1.

"It is our vision to continue to build a community which provides the foundation for a true neighborhood experience," said John Crosby. "ERA Stirling Properties' team understands our philosophy and I am confident that they will be a valuable asset to our team. Our on-site office will remain in place and work well under the ERA Stirling banner."

"As the leader in St. Tammany's luxury market, ERA Stirling Properties understands the needs of buyers and sellers in this real estate sector," said Marty Mayer, president & CEO of Stirling Properties. "The Sanctuary is one of the most prestigious developments in Southern Louisiana and we are excited about the opportunity to collaborate with the Crosby Family. We look forward to continuing the vision of the Sanctuary, protecting the future of the development and its legacy, while helping the development grow to its maximum potential."
