# Albertsons fills vacancy in Mandeville shopping center

MANDEVILLE — Albertsons will join the existing lineup of stores at Premier Centre, according to management and leasing firm Stirling Properties.

The new grocery will be located in the 59,000-square-foot space once occupied by A & P Sav-A-Center and will feature a pharmacy.

“The grocery anchor space in Premier Centre has been vacant for over a year and a half,” said Donna Taylor, vice president of asset management and new business development for Stirling Properties.

Albertsons has operated stores in Louisiana for more than 40 years, she said.
