Stirling Properties has unveiled plans for its latest development venture, River Chase. The master planned, mixed-use development is in the heart of Western St. Tammany Parish on 168 acres at the southwest quadrant of the new I-12 and Brewster Road interchange in Covington. Plans call for more than 1 million square feet of office space, 1 million square feet of retail space, 240 apartments, 250-plus condos, two hotels, numerous restaurants and other retail uses. River Chase is positioned with direct access to Christwood Retirement Community and Christ Episcopal School. Phase I of the project, completed in 2004, includes the largest open air retail center in St. Tammany Parish. The center is anchored by Target, Belk, J.C. Penney, Best Buy, Marshall's and Ross. It also features a 14-screen stadium style theater. Subsequent phases of the development are in various stages of planning and development.
