## LeBlanc and Maulden earn Short Sale and Foreclosure Resource certification

ERA Stirling Properties' Cindy LeBlanc, sales associate in the Ascension office, and Ginger Maulden, sales associate in the Baton Rouge office, have earned the Short Sale and Foreclosure Resource designation after completing several hours of classroom and online coursework.

LeBlanc

Maulden

The SFR certification program is offered by the Real Estate Buyer's Agent Council of the National Association of Realtors. The program includes training on how to manage short sales, foreclosures, and real-estate owned transactions, and provides resources to help Realtors stay current on national and state-specific information as the market for these distressed properties evolves.
