Prairieville realtors certified as residential specialists

Staff report

PRAIRIEVILLE— ERA Stirling Properties' Cathi Williams and Ginger Maulden, sales associates for the Ascension Office, recently received the Certified Residential Specialist (CRS) Designation from the Council of Residential Specialists.

Since 1977, the Council of Residential Specialists, the largest not-for-profit affiliate of the National Association of Realtors, has been conferring the CRS Designation on agents who meet its stringent requirements.

Realtors who receive the CRS Designation have completed advanced courses and have demonstrated professional accomplishments in both experience and education.

The designation is one of the highest Designations awarded to sales associates in the residential sales field and fewer than 38,000 REALTORS nationwide, which is less than 4 percent, have earned this credential.

In Louisiana, Williams and Maulden join 378 other agents who have committed to helping clients maximize profits and minimize costs when buying or selling a home.

The ERA Stirling Properties' Ascension office located at 16270 Airline Hwy. Suite C in Prairieville.
