# Stirling to break ground on Medical Arts Pavilion

COVINGTON — Stirling Properties announces the development of the Medical Arts Pavilion at Lakeview Regional Medical Center in Covington.

Located at Fairway Drive and Hwy. 190, the two, three-story, 60,000-square-foot Class A medical office buildings will be the newest medical office complex in the New Orleans metropolitan area. The official ground-breaking ceremony is set for early September.

Located on the hospital's campus in Covington, the Medical Arts Pavilion will provide a fully integrated healthcare complex with a comprehensive network of providers and services at Lakeview Regional Medical Center.

Gensler [www.gensler.com](http://www.gensler.com), a global architecture, design, and planning firm, is designing the buildings.

The \$14 million project should create over 100 new jobs in addition to 75 construction jobs for a 12- to 16-month period, he said.

For more information on leasing opportunities, contact William Barrois, sales & leasing executive, at 985-898-2022 or via e-mail at [wbarrois@stirlingprop.com](mailto:wbarrois@stirlingprop.com).
