## Taco Bell opens at Stirling Lafayette Shopping Center

Lafayette , La. (Sep. 23) **Stirling Properties** said Wednesday that Taco Bell has opened at Stirling Lafayette Shopping Center.

The new unit is 2,800 sq. ft. and is the second Stirling Properties retail development that Taco Bell has partnered with in the last two years.

"Taco Bell is actively seeking sites in the Louisiana and Mississippi market for expansion opportunities," said William Barrois of Stirling Properties who represents Taco Bell in the Louisiana and Mississippi market. "This is a testament to the strength of the Gulf South market despite the current economic climate in other markets throughout the country."
