

Albertsons to anchor Mandeville's Premier Centre

An Albertsons grocery store is the new anchor at the Premier Centre in Mandeville, filling a space that had been vacant for a year and a half. The 59,051-square-foot store is in the spot previously occupied by Sav-A-Center.

"They will fill a void much needed in this neighborhood center," says Donna Taylor, senior vice president of asset management and new business development for Stirling Properties, the shopping center's management and leasing firm.

William Emmons, president of the Dallas-Fort Worth division of Albertsons LLC, says the location will be a full-service food and drug store that will bring jobs to the community.

"We've excelled in the Louisiana market in creating a quality shopping experience for our customers, and we're looking forward to introducing Mandeville's shoppers to the new, great deals that Albertsons LLC has been offering since our company acquired the Albertson's Louisiana stores in 2006."
