Chain Store Age names top redevelopers

New York City (Oct. 1) For the fifth year running, Chain Store Age has compiled redeveloped sq. ft. data, along with financial investment information, to rank the country's most prolific redevelopers for the year prior.

For the 2008 calendar year, the following 10 shopping center developers, listed alphabetically, make up the Top 10 Redevelopers list and their top redevelopment projects will be featured in the upcoming November issue of Chain Store Age: CBL & Associates Properties; Centro Properties Group; General Growth Properties; Glimcher Realty Trust; Kite Realty Group; Macerich Co.; Phillips Edison; Regency Centers; **Stirling Properties**; and Westfield LLC.

This year, two honorable mentions were named, based on the significance of their 2008 redeveloped projects. Cafaro Co. and The Sembler Co. both will be featured in the November issue as honorable mention placers.
