Stores announced for Stirling shopping center: The first stores in a new shopping center off Interstate 10 in Lafayette should start opening in March, reports KLFY-TV. The center, at the Louisiana Avenue exit, will be anchored by Super Target and J.C. Penney. Other stores in the development include Ross, Old Navy, Petco and Office Depot. The center is being developed by Stirling Properties, which owns Target-anchored shopping centers along interstates 10 and 12, including the Millerville Road development in Baton Rouge.
