**Stirling Properties golf tournament raises  
money for Mary Bird Perkins Cancer Center**

Stirling Properties' 10th Annual Stirling Invitational Golf Tournament raised \$10,200 for the Mary Bird Perkins Cancer Center.

The scramble-style tournament was held at the University Club in Baton Rouge, where contributions from sponsors and golfers helped to make the event a success.

Stirling Properties Executive Vice President and Partner Grady Brame presented the donation to Richard Lipsey, immediate past chairman of the cancer center's Board of Directors, during an awards celebration following the tournament.
