

IHOP coming to Denham

Posted: 12.05.06

Hope you like pancakes: IHOP has purchased a 1.5-acre site for construction of a new restaurant in Denham Springs. The pancake chain spent \$600,000, or \$9.18 per square foot, on a tract in front of Home Depot on Rushing Road near Range Avenue. Dottie Tarleton with Stirling Properties, who represented the purchaser, says construction on the pancake house should begin in six weeks.
