ERA Stirling Properties makes donation to Greater Baton Rouge Food Bank

ERA Stirling Properties' Greater Baton Rouge offices recently donated enough money to provide 4,550 meals to be served by the Greater Baton Rouge Food Bank.

The donation was made to Charlene Guarisco Montelaro, GBR Food Bank vice president of development & philanthropy, on Dec. 8. For every \$1 donated, the Food Bank provides seven meals.

"Hearing that nearly one in four children under the age of five is consistently unable to access enough food to sustain their growing bodies, made us want to help," said Angela Jordan, the ERA Stirling Properties sales agent who led the fund-raising campaign.
