River Chase is a master planned, mixed-use development. It's located amidst 253 acres of prime interstate property adjacent to the Tchefuncte River with direct access to Interstate 12 via two interchanges that bound the eastern and western borders of the development, Louisiana Highway 21, and convenient access to the Lake Pontchartrain Causeway and the City of New Orleans. Currently anchored by Target, Belk, JCPenney, Best Buy, Marshalls, Ross Dress For Less and a 14-screen stadium style Hollywood Theater, the 640,000 square foot River Chase Shopping Center, is the largest open air retail center in St. Tammany Parish and 2nd largest in the state. When complete, River Chase will consist of retail, office, hotel, and multi-family residents.
